

LOWER RIO GRANDE

Public Water Works Authority

PO Box 2646, Anthony, NM 88021 575-233-5742 www.LRGauthority.org

Lower Rio Grande Public Water Works Authority is seeking Public Input for its FY2015-2019 Infrastructure Capital Improvement Plan

A local infrastructure capital improvement plan (ICIP) is a plan that establishes planning priorities for anticipated capital projects. The state-coordinated ICIP process encourages entities to plan for the development of capital improvements so that they do not find themselves in emergency situations, but can plan for, fund, and develop infrastructure at a pace that sustains their activities. You will find more information at <http://nmdfa.state.nm.us/ICIP.aspx>

You will find additional information and a summary of last our ICIP for 2014-2018 included here, and a complete copy of the last ICIP is available on our website: www.LRGauthority.org on the Projects/Planning page.

Submit your comments on our 2015-2019 ICIP in writing at any of our offices; mail them to LRGPWWA, PO Box 2646, Anthony NM 88021; email them to info@LRGauthority.org; attend our Board of Directors meetings at 9:30 a.m. on Wednesday, August 21st at our La Mesa Office (521 St. Valentine) or September 18th at our Berino Office (1150 Berino Rd.); or join us at one of the three
