

## **Public Notice – Informal Request for Proposals for Engineering Services**

The Lower Rio Grande Public Water Works Authority (LRGPWWA) is seeking Letters of Interest from qualified professional engineering firms for services for a small project (per 13-1-125 NMSA 1978 and 1.4.1.52 NMAC) consisting of an evaluation of the condition, age and imminent need for improvements of a small water system being considered for purchase. Interested firms should contact Karen Nichols, Projects Manager, by email or at 575-233-5742 ext. 122 for additional project details. Firms which are interested in providing these services shall provide a Letter of Interest, as specified below, no later than 3:00 p.m. on Wednesday, April 9, 2014 to:

Lower Rio Grande PWWA

Attention: Karen Nichols, Projects Manager

By mail: PO Box 2646, Anthony NM 88021

In person delivery: LRGPWWA La Mesa Office, 521 St. Valentine, La Mesa NM

By email: karen.nichols@LRGauthority.org

Letters of Interest shall contain a statement of qualification regarding specialized technical competence; capacity and capability of performing work as required, including current work load and characteristics; past performance with the LRGPWWA, its founding entities or other small water & wastewater systems; proximity to and familiarity with the LRGPWWA Service Area and utility systems; any special characteristic or capabilities which might enhance the firm's qualifications or suitability; and proposed price for the described services.

The LRGPWWA reserves the right to reject any and all proposals and to waive all formalities.

Martin Lopez, General Manager
