INFORMAL REQUEST FOR PROPOSALS/PRICE QUOTES

Specifications/Statement of Work:

The Lower Rio Grande Public Water Works Authority is seeking to purchase hardware & installation for web-based GPS fleet tracking with separate monthly or annual service. We are interested in the following features:

- Real-time GPS tracking
- Driver ID/log-in
- Speed (& other?) Alerts - email/text
- Driving safety tracking
- Vehicle maintenance tracking
- Engine diagnostics
- Geo-fencing
- Bread-crumbs trails
- Customer Support
- Product/Service demonstration

We are seeking informal written proposals/quotes. Please indicate whether the features mentioned are part of a package price or involve an additional fee, describe all features included in service package whether or not they are included in this list, and provide description/specifications for hardware and installation service. Provide separate pricing for hardware & installation (1st price quote) and service package (2nd quote) and state payment terms. A list of vehicles to be equipped including VIN numbers is attached.

Contact Ms. Nichols for vehicle listing

The Lower Rio Grande Public Water Works Authority is a political subdivision of the State of New Mexico and a local public body.

Submit written proposals/quotes to:

Karen Nichols, Projects Manager
