**Re: Construction Contract Award Recommendation**  
**Project: Jacquez Road Waterline Extension**  
**Project No.: 4917-CIF**

Dear Ms. Karen Nichols:

A bid open conference for the above referenced project was held at the LRGPWWA La Mesa Office Building on November 14, 2019 at 10:00 am (local time). A total of five (5) bids were received as detailed in the below table. Please note, all amounts exclude NMGR.

BIDDER	Bid Amount
J29 Enterprises	\$ 84,323.00
Highland Enterprises	\$ 91,853.24
Rio Services	\$ 103,845.00
Smith & Aguirre Construction Co	\$ 129,200.00
Caliper Construction	\$ 129,775.00
Engineer's Estimate	\$ 99,856.96

Wilson and Company (Wilson) has performed a certified bid evaluation and has identified that all bid(s) submitted are deemed responsive. The bid submitted by J29 Enterprises did not include the Contractor's License; however, this is considered an insignificant mistake/ technicality that has no effect on price, quality or quantity. J29 Enterprises has provided the above-mentioned document after the Bid Opening. Wilson recommends that the LRGPWWA waive the insignificant mistake/technicality.

The lowest and responsive bid was submitted by J29 Enterprises in the amount of \$84,323.00 excluding NMGR. J29 Enterprises is licensed to perform the work and is in good standing with New Mexico Construction Industries Division. J29 Enterprises license number is 392033, holding current work contracting classifications of GA-98, GB-98, and GF-98. Furthermore, J29 Enterprises' Bid Bond Surety Company is licensed and authorized to do business in the State of New Mexico.

Wilson recommends that the Jaquez Road Waterline Extension be awarded to J29 Enterprises in the amount of \$84,323.00 excluding NMGR. The bid amount is within the project budget. Our recommendation is contingent upon New Mexico Environmental Department's Construction Programs Bureau's review and approval. A complete bid tabulation is attached for your reference. Please feel free to call me at (505) 348-4005 or (575) 652-2998 with any questions.

WILSON & COMPANY

Eric Hamilton, PE  
Project Manager
